WHO IS • KEVIN JACKSON

Kevin Jackson is a singer-songwriter with influences ranging from Merle Haggard to Metallica.

Kevin comes from a long line of musicians, from his great, great grandparents hosting Bob Wills and the Texas Playboys at their home in Broken Arrow, Oklahoma on a regular basis, to His father who, as a bassist/songwriter, was part of the late 1980s and early 1990s Hair-Band/Arena Rock era. So, it only makes sense that Kevin's musical style is part traditional country and part 1980s - 1990s arena rock.

Kevin has played shows with some great artist including **Radney Foster, Colt Ford, Randy Rogers, Stoney Larue, Granger Smith, Curtis Grimes, Zane Williams, Koe Wetzal, Tyler Bryant, Deryl Dodd, JB and The Moonshine Band, Hillbilly Vegas, Wade Bowen, Ray Wylie Hubbard, Cody Canada, Shotgun Rider, William Clark Green, Jon Wolfe, Brandon Rhyder, Charlie Farley, Josh Ward,** and several others.

Brantley Gilbert, George Strait, Cody Jinks, Kris Kristofferson, Samm Riggs, and Chase Rice have all had a huge impact on Kevin's songwriting for his new self-titled EP that includes the songs Back Home, I'm Gone, Kickin It, Every Move You Make, Gonna Wanna, Devil Smiles, and Two for One.

All of these singles and the entire EP are available just about everywhere one can download or stream music.

(Ex. Spotify, iTunes, Apple Music, Amazon, Amazon Music, Youtube, Youtube Music, Google Play, ect.)

Kevin has had seen a surge in popularity in Europe. His new video for "Two For One" is being played on country music television programs across Ireland and the UK.

Kevin's soon to be released single "From Here To You" is co-written with Cody Jinks!

In late October 2018 the song "I'm Gone" made it into the New Music rotation on SiriusXM The Highway!

Kevin is extremely independent. His band is totally self-contained and capable of handling all aspects of his show production. He is surrounded by people with over 30 years of full event production from FOH sound, video, lighting, graphic arts, and television production.

Kevin is thankful to have friends like **Curtis Grimes, Tom Perkins, David Adam Byrnes, and his father (Travis Jackson)** who all have contributed their writing skills to help Kevin put together great songs that cross all types of musical boundaries and join together the best elements of Texas red-dirt lyrics, Nashville production, and arena rock guitars.
